3. Itinerary

Annapurna Base Camp Helicopter Tour Itinerary

Pick up from the hotel and transfer to the airport: Our staff will pick you up from the hotel and transfer you to the domestic terminal of Kathmandu or Pokhara for the flight. We will arrange a private vehicle for airport pickup.**Check-in Process and Pre?Flight Briefing:** After you reach the airport, you will complete the check-in process. You will get a short briefing from the airport staff related to safety. Then you will head toward the heli pad to take a ride to Annapurna base camp. **Scenic Flight:** You will start your heli ride from Kathmandu Valley or Pokhara’s lake? surrounded landscape. During the mid-flight, you will glide over the Annapurna Conservation Area with an aerial view of Annapurna and the Dhaulagiri Himalayan Range. You can take enough video and photographs from your helicopter window seat. Then your helicopter will do a precise touchdown in the helipad directly at Annapurna Base Camp, 4,130 meters (13,550 ft). You’ll have approximately 15–45 minutes at the site for sightseeing and breakfast, enjoying a close-up, 360-degree view of the surrounding peaks. There are several tea houses in the base camp where you can enjoy breakfast. **Return Flight:** After spending a wonderful time in the Annapurna Base Camp, you will reach the helipad area carefully and take a heli to ride back to either Pokhara or Kathmandu.
