## 6. Cost Excludes

---

- Travel Insurance
- International Flight
- Lunch and Dinner in Kathmandu, Nepaljung and Jupal
- Personal expense( hot shower, charging, wifi, tips)
- Extra expense expect mentioned in itinerary

## 7. Equipment / Packing List

---

Here's a **comprehensive packing list** to ensure you are well-prepared for the remote Dolpa region and variable Himalayan conditions:

### Clothing

- Warm fleece jacket or down jacket
- Thermal base layers (tops and bottoms)
- Quick-dry trekking shirts and pants
- Waterproof and windproof jacket
- Trekking gloves and warm hat
- Scarf or buff
- Sturdy, broken-in trekking boots
- Comfortable trekking socks (plus extras)
- Sleepwear for tea houses

### Sleeping & Comfort

- Sleeping bag (recommended for warmth and hygiene)
- Sleeping liner or sheet (optional)
- Travel pillow (optional)

### Personal Essentials

- Personal medications and first aid kit
- Sunscreen and lip balm with SPF
- Sunglasses with UV protection
- Toiletries (toothbrush, toothpaste, soap, hand sanitizer)
- Toilet paper (not always available in tea houses)
- Quick-dry towel

### Trekking Gear

- Daypack (25–35 L)
- Trekking poles (optional but recommended)
- Headlamp or flashlight with extra batteries
- Reusable water bottle or hydration system
- Water purification tablets or filter

### **Food & Snacks**

- Energy bars, chocolates, or nuts for the trail
- Electrolyte powder or rehydration salts

### **Electronics & Miscellaneous**

- Camera or smartphone
- Power bank or solar charger
- Notebook and pen (optional)
- Passport, permits, and necessary documents
- Cash in small denominations (ATMs are not available)

### **Tips**

- Pack **light but smart**; tea houses provide basic bedding, but a sleeping bag ensures warmth.
- **Layering clothing** is key for variable weather.
- Bring **all personal toiletries** as remote tea houses may not have supplies.
